

NEGU TUITION SERVICES

September 2022

WELCOME

THANK YOU, to all of our clients and students, we value your loyalty and the hard work that all of our learners put into their studies. We have received some great feedback and reviews from clients sharing the fabulous results that our students have received. It makes the whole adventure worthwhile.

If you feel your tutor is making a difference to your child, please complete a tutor review as we know that they, like us, love to receive feedback.

Our Summer Master classes for 11+ at Dartford Grammar School took place in August and were a huge success. We would like to say a huge well done to our recent participants! They did brilliantly, and we are sure they will be on their way to reaching their full potential.

Many of the participants said that they found the Masterclasses and exams enjoyable and we hope this provided them with an authentic exam experience. If you are interested in taking part in practice 11+ exams please contact Tanya Dady on bookings@negutuition.com.

MEDWAY BUSINESS AWARDS

We are absolutely thrilled to have been nominated as finalists for the Medway Business Awards. The most prestigious awards ceremony in Kent, celebrating the achievements of both large and small businesses based in Medway.

Even better, we won an actual award as Rising Star. This recognition of the high quality, high value service that we provide in private education has really validated what we are all about at NEGU Tuition Services.

NEWS AND EVENTS

We are very sad to have to say goodbye to Peter Wardle at the end of this month. His dedication to tutoring at the highest standards has made a positive impact on hundreds of students over the years. We wish Peter all the best for the future. At the same time, we are excited to give some of our other fantastic tutors a chance to provide group tuition.

Amy Loines is now back from maternity leave, Woo! see below a picture of Amy and her 2 beautiful children.

BLOGS

Tanya has made her first blog! She will be regularly posting blogs onto our website. Please check in now and then for useful information and tips on a broad range of topics. Here is the link - [Medway Business Awards - How Lucky are we? - NEGU Tuition](#)

GROUP TUITION

GROUP TUITION – Our group tuition remains as popular as ever. We feel that these sessions are extremely good value for money at £12.50 per hour. As well as fantastic tutoring, the students also get homework. We currently have some spaces available so please contact us to find out more about what groups we have.

WE'D LOVE YOUR FEEDBACK!

HOME ACTIVITIES

Cooking is an excellent activity to do at home with your child. Not only will you finish with some yummy home made food but you would have embedded English and math skills throughout the activity.

Blackberry and pear crumble

Blackberries and pears are at their best in this crumble recipe - just right for early autumn as the evenings start to turn chilly and hot puddings become oh-so tempting.
